Dear Friends,
 Since 2011, we have quadrupled the number of students we serve each year by having programs happening all day every day, creating a residential community (complete with weekly Shabbat celebrations), and focusing on each and every student. You can see our accomplishments and successes in this Report. You can also help us achieve our goal of serving 2,000 students by 2021:

- Sponsor a program - such as Shabbat dinners and weekday lunches. These form the foundation upon which we build our program calendar.
- Join the QC Jewish Legacy Society by including QC Hillel in your estate plan. Thanks to its current members (left).
- Help us secure an additional off-campus location to offer Jewish activities like challah-baking, cooking, hosting Shabbat meals, and lighting candles that our current on-campus facility cannot support.

The future of the Jewish community is forming right now at Queens College, and no time is more pressing than right now to invest in that future in all its diversity. Please join us with a gift at www.qchillel.org or by check. Contact me at 718-793-2222 or uri@qchillel.org if you have any questions.

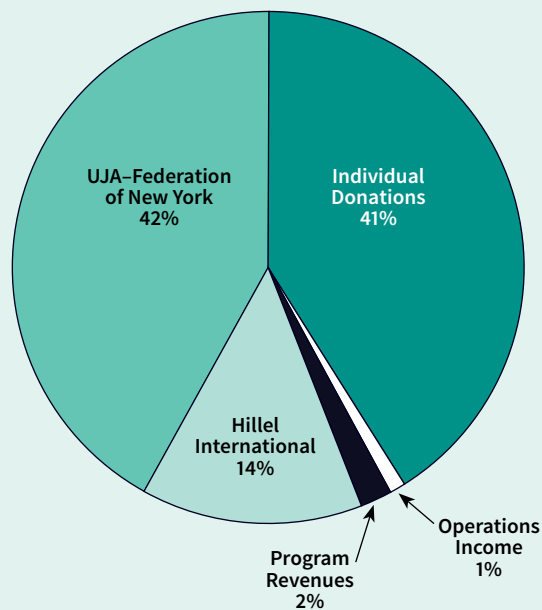

Sincerely,
Uri Cohen
Executive Director
